**ACTION:** Authorize receipt of funds and agreement with the Orange County Social Services Agency (SSA) and adopt resolution authorizing agreements with selected vendors to provide CalWORKs Home Visiting Program support

---

**SUMMARY:**

In October 2020, Orange County Social Services Agency (SSA) released a Request for Proposals (RFP) to identify subcontractors to implement the CalWORKs Home Visiting Programs. First 5 Orange County (First 5 OC) responded to the RFP and has been awarded \$6,000,000 for a term of three years starting July 1, 2021. The following agenda item seeks contracting authority for the continued implementation of the CalWORKs program.

**DISCUSSION:**

Home Visiting provides a critical resource to build protective factors, strengthen family resiliency, and create nurturing environments for young children. First 5 OC has held a contract with SSA to implement the CalWORKs home visiting program for the last two years; that contract will terminate June 30, 2021. Continued funding for the CalWORKs home visiting program was included in the state budget. In anticipation of the continuation of the CalWORKs home visiting program, SSA released a Request for Proposals to identify contractors for the next three years of implementation. First 5 OC responded to the RFP in partnership with our existing providers. We were notified that First 5 OC will be one of two awardees selected to provide services as part of the CalWORKs Home Visiting Program (HVP).

Consistent with the current agreement, this new contract will leverage our existing home visiting funded partners (Children's Bureau and Priority Center) and allow First 5 OC to receive referrals from SSA for Cal WORKS eligible families. This funding will allow First 5 OC to provide services to approximately 396 families annually that meet the eligibility criteria of being a CalWORKs client that is pregnant or a parent or caretaker relative of a child less than 24 months of age or CalWORKs applicant determined apparently eligible by SSA. The home visitation program's duration is 24 months or until the child reaches 24 months of age – whichever is later -- and will focus on prenatal, infant and toddler care, child nutrition, developmental screening and assessments, parent education, parent and child interaction, child development, parent's job readiness, and child care.

In our current CalWORKs home visiting program, multiple providers used a variety of home visiting curricula, and not all were evidence-based. This resulted in families being transitioned from one provider to another as families "aged out" of a specific model and led to significant variation in costs per families. With this new agreement, First 5 OC and our subcontractors will

implement the Parents As Teachers evidence-based home visiting model for all CalWORKs home visiting clients starting July 2021. The Parents as Teachers model is a comprehensive home-visiting parent education model that supports families through personal home visits, group connections, and resource networks, and provides child developmental screenings with appropriate referrals and follow up. This allows a continuity of care and support for families that requires no transition of services from one provider to another and a more streamlined approach to link families to the services that are most appropriate for their needs.

Staff recommends entering an agreement with SSA for a total of \$6,000,000 (\$2,000,000 annually) from Orange County Social Services Agency. Staff also recommends contracting with funded partners to implement the program. Attachment 1 includes a brief description of the scope of work, maximum obligation and term. Execution of the SSA agreement will be contingent on Orange County Board of Supervisor approval scheduled for June 22, 2021.

#### **STRATEGIC PLAN & FISCAL SUMMARY:**

The recommended actions have been reviewed in relation to the Strategic Plan and are consistent with all goal areas and in alignment with our strategies. The funding to support the expansion of home visiting services will be added to the Fiscal Year 2021/2022 Budget contingent on the funding award from the State Department of Social Services and approval of the Orange County Board of Supervisors.
