RE: Letter of Support of Proposed Map 5A-1

SECRETARY

Jeff Herdman

We have been studying the latest round of redistricting documents published Friday 11/19. We don't believe three days allows sufficient time for public consideration and input.

BOARD MEMBERS

We believe that the redistricting needs to be implemented as fairly as possible considering all legal requirements.

Proposal 5A-1 seems to provide the most fair and equitable option for Orange County.

1. Proposal 5A-1 complies with the Federal Voting Rights Act by creating a Latino Minority Majority District in Central Orange County.
2. Proposal 5A-1 creates a Non-Hispanic Asian Plurality District in Western Orange County.
3. Proposal 5A-1 does not bypass areas of population to favor more distant populations
4. Proposal 5A-1 unites communities of interest (social, cultural, economic, environmental, and educational).
5. Proposal 5A-1 reduces city splits and only considers city splits when bringing together a community of interest or balancing population.

Proposal 5A-1 ensures that the cities directly impacted by John Wayne Airport (JWA) remain within a contiguous Supervisorial District. It is imperative that the cities most impacted by JWA – Costa Mesa, Irvine, Laguna Beach, and Newport Beach – remain in the same Supervisorial District.

Proposal 5A-1 creates an inclusive, equitable, and defensible Voting Rights Act and Fair Maps Act compliant map that ensures all regions of Orange County are fairly represented.

SPON hopes that the entire Orange County Board of Supervisors can support Proposal 5A-1 on Monday 11/22/21.

Respectfully,
Charles Klobe
President
