Comments:	Executive Committee Membership is defined in statute. Individuals per Penal Code 1230.1(b) hold the position on the executive committee of the CCP because they have been appointed or elected to the underlying position that the statute declares is part of the executive committee. Because the positions on the executive committee are statutorily designated, there is no independent authority that the Board has to alter who sits on the executive committee. There is one position on the executive committee where the Board had authority to designate and the choices were limited by statute to the head of social services department, the head of the mental health department or head of county alcohol and substance abuse programs. On September 20, 2011, the Board designated the Director of the Health Care Agency as the position to sit on the Executive Committee. There is also one non-county representative - a Chief of a local law enforcement agency and is designated by the Orange County Chief's of Police and Sheriff's Association.
Purpose/Task:	To play a critical role in developing programs and ensuring appropriate outcomes for low-level offenders and to provide advice concerning Probation's Community Corrections Programs.
Min. Qualifications:	Executive Committee Membership defined in statute, by title; all members are elected or appointed department heads.
