Classic Car Overview

I'm the second owner and bus was driven rarely by the first owner. Only 4000 miles when I purchased bus in 1983. Originally from Germany. Still in original condition. Been driven every day to and from work (just 3 miles). Very good condition and well maintained. Factory new engine in 1998. Interior seats re-upholstered in 2021. Very rare today non-camper (bus) model. Very highway drivable design unlike earlier VW bus models. Located in Santa Monica. Home # so no texts. Please leave voice message only.
