### FREQUENTLY ASKED QUESTIONS:

#### **Q: WHAT IS A DEDUCTIBLE AND WHO DO I PAY IT TO?**

A: A deductible is the amount of money you will be required to pay out of pocket toward a covered loss. Your deductible is subtracted from our settlement payment to you. If your covered loss includes damage to your home, you would pay your deductible, plus the funds we provided for covered repairs, to your repair contractor. Your deductible amount(s) can be found on your policy Declarations Page. The applicable deductible may differ depending on the type or cause of loss you are reporting.

#### **Q: WHY IS MY MORTGAGE COMPANY INCLUDED ON MY SETTLEMENT CHECK?**

A: Your mortgage company may be included on your settlement check because they have a financial interest in your property. Your policy requires us to protect your mortgage company by including them as a payee on the check. We suggest you contact your mortgage company to discuss their requirements for endorsing the settlement check and releasing the funds necessary to repair your home. The most common documents your mortgage company may request from you are: a copy of the adjuster's report (which is the AAA repair estimate) and an adjuster's worksheet (AAA's settlement letter or e-mail acts in place of an adjuster's worksheet). Be sure to provide your mortgage company with these documents.

#### **Q: WHY WAS DEPRECIATION WITHHELD FROM MY CLAIM SETTLEMENT?**

A: If your building (Coverage A) loss exceeds \$5,000, depreciation may be applied to your settlement depending on your policy and endorsement provisions. If depreciation was withheld from your claim settlement, then you were paid for the Actual Cash Value (ACV) of the damaged or stolen property. Actual Cash Value is the amount it will take to repair, rebuild, or replace the affected material or items, minus a fair and reasonable deduction for physical depreciation based upon age and condition at the time of loss. Your adjuster will explain depreciation and inform you whether the depreciation is recoverable or non-recoverable.

#### **Q: IF I HAVE REPLACEMENT COST COVERAGE ON MY POLICY, HOW DO I OBTAIN THE DEPRECIATED VALUE THAT WAS WITHHELD FROM MY SETTLEMENT?**

A: Recoverable Depreciation is the difference between Replacement Cost Value (RCV) and Actual Cash Value (ACV). For items where RCV coverage applies, we will pay the ACV of the damaged item(s) until the repair or replacement is completed. You can recover this difference by providing proof that shows the repair or replacement is complete.

Here is what you need to do to make claim for your recoverable depreciation:

1. Complete the actual repair or replacement of the damaged property.
2. Confirm completion of repair or replacement by submitting itemized invoices, receipts, signed contracts or other verifiable information. Cash payments should be recorded with dates, amounts, tax identification number, addresses and telephone numbers. Additionally, we may require photos of the repairs, a certificate of completion, proof of payment and/or may need reinspect your property.

Documentation of the actual incurred costs usually comes from the contractor/technician who repaired your property; however, if you did the work yourself you will need to provide verifiable documentation of the actual cost incurred to complete the repairs.

Please send all invoices to your assigned claim representative.

We will make an additional payment to reimburse you (in excess of the ACV and up to the RCV noted on your estimate) for the cost you incur for repairing, rebuilding or replacing your covered property. This is, of course, subject to the policy limits, coverage, conditions and exclusion provisions of your policy, as well as any applicable state laws.

#### **Q: HOW DO I CHOOSE A CONTRACTOR TO REPAIR THE DAMAGE TO MY HOME?**

A: Here are a few things for you to consider:

- Ask family or friends for names of reputable contractors who have performed work for them.
- Check the contractor's licensing and confirm that they carry liability and workers' compensation insurance.
- Require that the contractor provide you with a written contract and only sign the contract once you fully understand the terms. Ask the contractor questions if you do not understand something.
- If you are unable to locate a contractor and need assistance, please contact your Adjuster for help. AAA has partnered with Contractor Connection to help refer you to a pre-screened network contractor who can assist in restoring your home. Your claim

team will check to ensure this service is available to you and will have a contractor schedule an inspection of your property. The network provides:

- o Free referral service
- o A five-year warranty on workmanship
- o Contractors that are pre-screened and certified annually for proper licensing, insurance and financial stability

**Q: WHAT IF MY CONTRACTOR CANNOT COMPLETE THE WORK BASED ON THE AAA ESTIMATE OR WHAT IF ADDITIONAL DAMAGE IS FOUND?**

A: If your contractor cannot complete the work for the amount stated in the AAA estimate because the estimates differ in value, you should contact your AAA Estimator immediately before incurring additional costs or allowing your contractor to begin work. Your contractor and the AAA Estimator will work together to attempt to resolve differences and make any necessary adjustments to the estimate for covered items within your policy. We recognize that additional damage may be discovered during the repair process. If additional damages are found by you or your contractor, please contact your AAA Estimator immediately before repairing the unforeseen damage. Your AAA Estimator will review the damage and re-inspect your property if necessary, to resolve any estimate differences.

### NEXT STEPS:

#### Understanding Your Estimate and Repair Options

- We will review your estimate with you, so you understand the covered scope of repairs
- If applicable, select a reputable contractor to complete the repairs to your home – be sure to confirm that they are insured, licensed and bonded

#### Settling Your Home Insurance Claim

- We will go over the payment details with you
- We will issue payments to you for the repair or replacement of your damaged home or personal property, subject to the terms and conditions on your policy
- Once you have replaced your personal property or the repairs to your home are completed, provide a copy of the receipts to us within the time limits provided by the policy for payment of any recoverable depreciation

#### Your policy may have a replacement cost clause which allows you to claim recoverable depreciation:

Recoverable Depreciation is the difference between Replacement Cost Coverage (RCV) and Actual Cash Value (ACV). For items where RCV coverage applies, we will pay the ACV of the damaged item(s) until the repair or replacement is completed. You can recover this difference by providing proof that shows the repair or replacement is complete.

Here is what you need to do to make claim for your recoverable depreciation:

1. Complete the actual repair or replacement of the damaged property.
2. Confirm completion of repair or replacement by submitting itemized invoices, receipts, signed contracts or other verifiable information. Cash payments should be recorded with dates, amounts, tax identification number, addresses and telephone numbers. Additionally, we may require photos of the repairs, a certificate of completion, proof of payment and/or may need reinspect your property.

This is, of course, subject to the policy limits, coverage, conditions and exclusion provisions of your policy, as well as any applicable state laws.
